

## SCRIP PROGRAM INFORMATION

A few parents have been unclear on the scrip program requirements, so here is an explanation of the program.

Scrip are just gift cards like you would buy at the store. Our cards have no activation fees, so you get back 100% of what you buy. The school buys the cards at a discount- that is the % that you see on the order form. Cards are available for major retailers, grocery stores, gas, movie theaters, restaurants and more. Visit [www.shopwithscrip.com](http://www.shopwithscrip.com) for a full listing of cards available from us.

**The school contract requires \$200 in scrip purchases per month, starting in August. You do not have to buy each month or all at once, but you do need to have your total bought per trimester to avoid being billed. If you do not meet the full amount per trimester, you will be billed the \$100 fee. Purchasing a card does not get credited toward the buyout fee, because you get all that money back. The first trimester will be billed at the end of November and you will need to have purchased at least \$800 by then. It's not hard, groceries alone can make up most of that! Have an Iphone? We have Itunes! Has your kid gone to the movies this year? We have those too!**

We prefer that you order your cards online at shopwithscrip, but if you really hate computers or need to order right away, just submit a paper order form with your check. If you order online, print the payment confirmation and send to school with your check (please note that we cannot send the cards until payment is received). Orders received during the week are sent home on Fridays with your child. Or you can buy directly from us outside extended care on Fridays.

**Our hope is that once you discover how easy it is to use scrip, you will try to use it as much as possible. To get in the habit, I stuck a gift card in front of my credit card so I'd remember to use it. Every card sold makes money for the school, and those dollars here and there add up to a lot of funds for our kids. And it's all FREE MONEY!**
